

## Pesach Sale of Hametz

One may neither eat nor possess any hametz during Pesach. Therefore, before Pesach, all hametz (wheat, rye, oats, barley, spelt, or anything made from those items) must be gotten rid of by selling it to a person who is not obligated to refrain from using it. This also covers items inadvertently missed at home or at work. Your hametz must be sold even if you will not be home during Pesach. One also sells one's pet(s) so pet food with hametz may be kept on the premises.

To make this process easy for our members, Rabbi Ferency has agreed to act as our representative and will be selling hametz for anyone designating him as his/her agent per this form. Please follow these steps:

1. When kashering your home, remove all hametz from the premises, preferably donating it to a food bank.
2. Any remaining hametz must be put in a secure place out of the way -- the garage, a cupboard that can be taped shut, a closet, etc.
3. Fill out this form and send or deliver it to Heska Amuna. It must be in the office no later than **noon on Monday, March 30.**
